About halfway between Key West and Miami, the string of islands known as Islamorada is home to *The Moorings Village & Spa*, pictured here—18 cottages scattered across a former coconut plantation. Its white sand beaches and gardens made an idyllic backdrop for summer's most relaxed clothes.

### CHEECA LODGE & SPA

We stayed at one of the Keys' most popular hotels; after long photo shoots, everyone wanted to take a dip in the Old Hollywood-style pool to unwind.

#### BAY SIDE

In *Morada Beach Café's* prime waterfront dining area, the food is delish, and shoes are decidedly optional!
